

THAILAND OF INVESTMENT

Where success stories begin

Health Care Services

Medical Hub of Asia

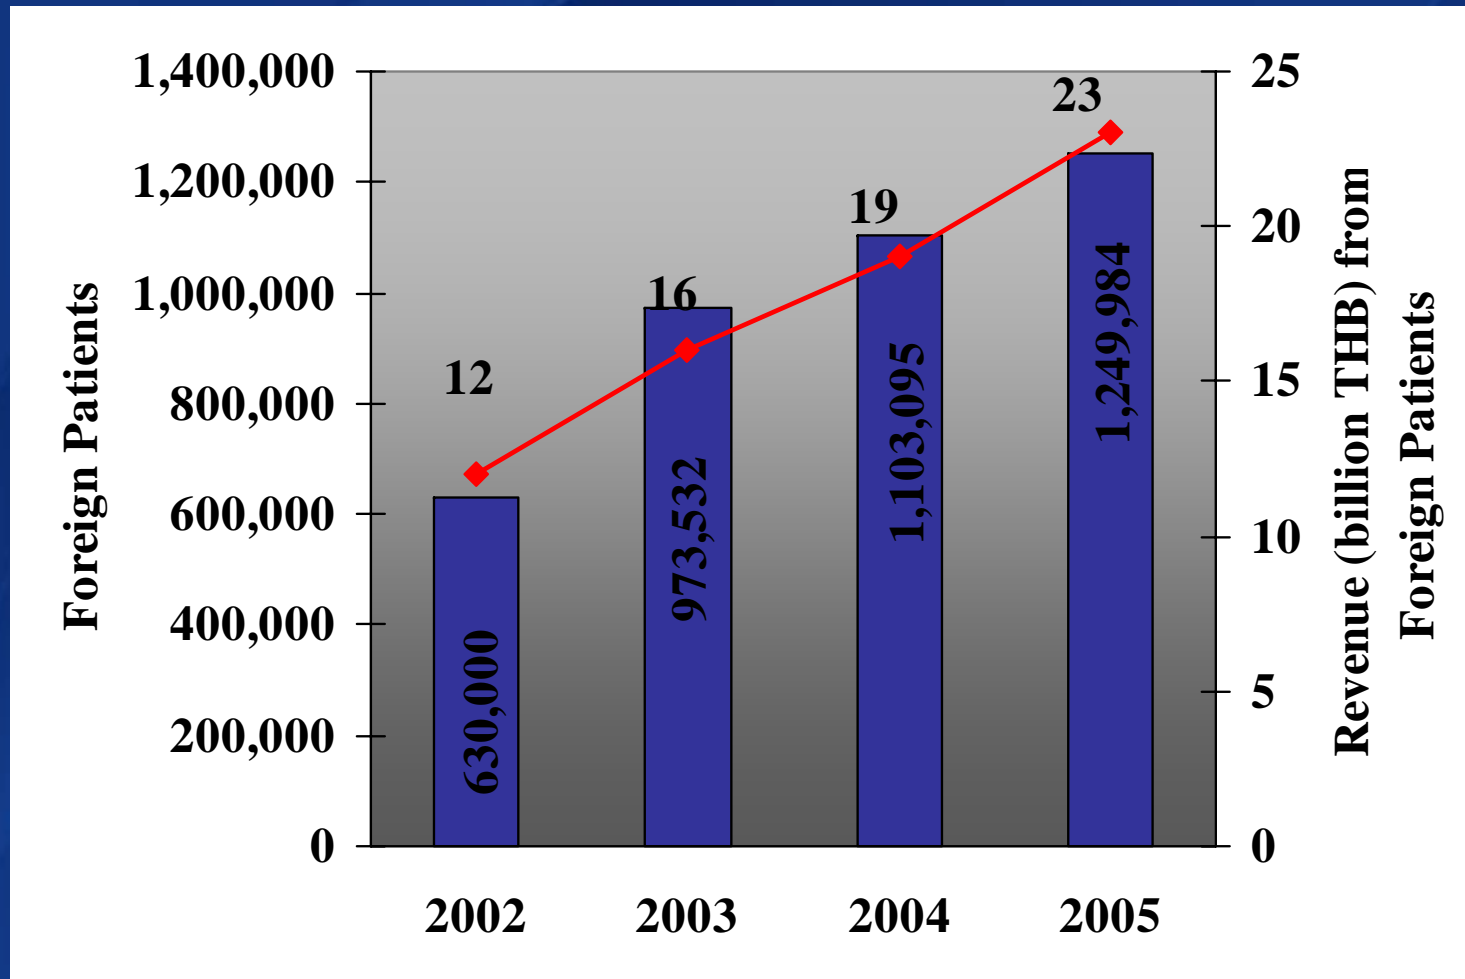

THAILAND BOARD OF INVESTMENT
www.boi.go.th

Thailand Rapidly Becoming Regional Medical Hub

- ❑ Most private hospitals are gearing toward treating patients from other countries/serving more than 1,100,000 patients a year**
- ❑ Thai doctors study abroad, speak international languages and are among the best in the region**

Foreign Patients to Thai Private Hospitals
